AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1887, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

**AMERICAN
KENNEL CLUB™**

**SCHEDULE OF POINTS
DIVISION 1 - EFFECTIVE MAY 15, 2013**

For complete Conformation Championship requirements see Chapter 16 of the Rules Applying to Dog Shows.

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety. If the dog designated Winners Dog or Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points. If the dog designated Winners Dog or Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points. After points have been computed for Winners Dog and Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Bitch, whichever is greater. In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

Division 1 is comprised of: Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, Vermont.

IMPORTANT: TRANSFER of dogs from regular classes to Best of Breed/Variety Competition (Ch. 11, Section 6, AKC Rules) **MUST** be made to the Show Secretary at least one half hour prior to the start of any regular conformation judging at this show.

TRANSFERS by Junior Handlers from Novice to Open Class **MUST** be made to the Show Secretary at least one half hour prior to the start of any regular conformation judging at this show, or one half hour prior to the scheduled start of Junior Showmanship judging at the show, whichever is earlier.

Dogs may arrive any time prior to their scheduled time of judging. Dogs not required for further judging will be excused.

Judges will not wait for any dog holding up a class. Owners or agents alone are responsible for the presence of their dogs in the judging ring when their classes are called to be judged.

All dogs present must be held on leash or confined to their crates except when being judged or when in the exercising ring.

ENTRY FEES shall not be refunded in the event that a dog is absent, disqualified, excused by Veterinarian or Judge, or barred from competition by action of the Show Committee. If because of riots, civil disturbances or other acts beyond the control of the management it is impossible to open or to complete the show, no refund of entry fees will be made.

CLASS CASH PRIZES will be paid in the ring to the person showing the dog. Claims for prize money must be made in the ring before the judging of that breed is over, and the Show Secretary's office advised at once. The Show Secretary and show-giving Club disclaim any liability for cash prizes after the judging of the breed is over.
